GYMNASTICS

The whole school will be involved in a Gymnastic Programme on Thursdays and Fridays of Weeks 7, 8 & 9. Students will be taken by bus to the old Library in Ellen Street each day for their sessions. Please make sure that students are dressed appropriately for their sessions.

GOVERNING COUNCIL

The next meeting will be held next Monday 19th June at 7:00pm in the Meeting Room. I will be presenting a revised Financial Budget for the remainder of the year.

QUALITIES

From time to time teachers remind their students of the Qualities we expect them to learn and display. We would ask that parents/caregivers familiarize themselves with the Qualities and discuss them with their children over time to support us at the school level. The Qualities are:-

- 1) Respect - thinking and acting in a way that shows others you care about their feelings and wellbeing and your own.
- 2) Responsibility - being sensible, reliable and accountable for your own actions.
- 3) Persistence - sticking with a task by trying different ways even when things are new and tricky
- 4) Confidence - believing in yourself, knowing your strengths and having a go
- 5) Resilience - being able to recover from anything that you find challenging and to put balance back in your life

GRIP LEADERSHIP

GRIP Leadership - Kahlea Angel

Hi I'm Kahlea Angel. On Friday the 26th of May 7 other students and I went to Solomontown Primary School, to catch a bus to Port Augusta. We went to a place in Port Augusta to attend the GRIP Leadership day. We met lots of other students from around South Australia. GRIP stands for Generosity, Responsibility, Integrity and People.

We first did Leadermon which is a game like Pokémon. We needed to go around and look for people that can do special things like do the chicken dance, catch a real life Pokémon and make a sound like Pokémon. My favourite part of the day was when Timothy had to do a play, it was funny, because there was this guy that was being the voice of doubt. He says "no no no don't do it, don't stop this person from eating in the library" – it was funny. We also had to find out our weaknesses and strengths.

I had so much fun.

GRIP Leadership - Jordan Zbierski

Hi I'm Jordan Zbierski and on Friday the 26th May we arrived at Solomontown at 7:30 am to get on the bus to travel to Port Augusta to participate in the Grip Leadership program. There were 8 students selected from Airdale who are leaders or show good leadership skills. We got the chance to engage with other schools and share our ideas with each other. We did many activities, these included Leading the Land of Zootopia, 4 Expectations of a Leader, 4 Strengths and Weaknesses, Leadermon, School Ideas that are Outside the Box and Loud Noises.

GRIP Leadership - Jesica Cojocea

Hi I'm Jesica Cojocea. On Friday 26th May we arrived at Solomontown Primary School to get on a bus to travel to Port Augusta to participate in the GRIP Leadership program.

Leaders including myself attended from Airdale. We got the chance to engage with other schools and share our ideas with each other. We did many activities, which included Leadermon, Loud Noises, School Ideas that are Outside the Box, Leading in the Land of Zootopia, 4 Strengths and Weaknesses, 4 Expectations of a Leader and Turning an Idea into ACTION.

Action stands for:

- Agree on ideas
- Create a proposal
- Talk widely
- Identify roles
- Organise roles
- Navigate challenges

Out of all the activities we did on the day Loud Noises was my favourite.
