

# GRIEVANCE PROCEDURES

At Airdale Primary School we support the right of any member of the school community who believes our school behaviour code is not being supportive or enforced appropriately to have their grievance addressed.

The usual procedure to be followed in addressing a grievance is, in the first instance, to approach the person with whom you have the grievance. However, if you feel you are unable to do this, the following is a set of guidelines you may wish to consider. It is important that these grievances are kept confidential.
